Did we have a ball!!!!! The Spring Get-together and Old-Timers Party was a huge success. Sixty-five people were in attendance. Aldrich Krones, K9AA, was among the party-goers. Al has been a member of MRAC continuously since 1922. For entertainment we had Keith Iwen, a magician. Believe me, the hand is quicker than the eye. If he used mirrors, we couldn't find them. His able assistants, Helen Roehner and Evelyn Brossmann, did one fine job. Contrary to what you might have heard, Amateur Radio Operators are not full of hot air. Some of them couldn't even blow up balloons. Door prizes, including radios, wrist watches, glassware, can of tire inflater and picture frame, were donated by WA9GJV. Thanks, Jim. If we can get the same responce, we can do it again next year.

The Milwaukee Chapter of the 10-10 International will host the 2nd Bi-annual 10-10 International Convention, August 11 to 13, 1989, at the Grand Hotel (formerly Red Carpet), 4747 S. Howell Ave., Milwaukee, WI. There will be forums, indoor flea market, license exams, prize drawings and a banquet.

Ticket prices:
Banquet ---- $15.00 in advance, 17.00 at the door
Convention -- $5.00 in advance, $7.00 at the door
Single day -- $3.00
Flea market tables -- $5.00 first come first served.
Club tables will be available.

The main guest speaker will be Dave Sumner, K1ZZ, Executive Vice-president of the ARRL and publisher of the QST.
For tickets and/or information contact or write to Richard Schlatterer, KA9MTY, P.O. Box 83134, Milwaukee, WI 53223, or call (414) 354-7452.

FIELD DAY -- Field Day will be held this year at the Old Nike Site on the east side of Lannon Road, one mile north of the Village of Lannon. A map is provided for your convenience. Also talk-in on the 146.31/91 repeater. Come on out and have some fun.

At the May 25,1989 meeting, the following members were elected to the Board of Directors, and will serve for two years:

Richard Schlatterer, KA9MTY
Kelly Schaefer, N9HBN
Joe Rayome, KE9LL

The annual auction was a success, as usual. Travis, W9VQD, did one heck of a job as auctioneer. In fact, he was so good that his wife came along to make sure he didn't sell himself some of the fine "equipment" that was for sale. The Club purchased a Butternut "Butterfly" antenna for use at Field Day and Special Events.

The next MRAC meeting will be held on Thursday, June 22, 1989, at the Wauwatosa Savings and Loan, 7500 W. State St. The time -- 7:30PM. Doors open at 7:00PM. Meeting days for next year will be discussed and decided on. Some people have asked if we can go back to holding our meetings on the second Thursday of the month. We will try to get the day that the majority of the people responding want. Please let any of the officers or directors know

your preference, if you can't attend the meeting. Also, the name of the Amateur Radio School run by MRAC will be decided on. Ed And Travis need help choosing a name. The name should include Charlie Kaetel's name and the word "memorial".

The MRAC-VEC is giving Amateur license exams for all grades of licenses on the first Wednesday of the month up to, and including, the first Wednesday in June, at Wauwatosa East High School, Room 256. The time --- 7:00PM. Bring your current license and two copies. The fee is $4.75. You may register by sending a card to:

MRAC
P.O. Box 91
Milwaukee, WI 53201

Walk-ins accepted, time permitting.

THE MRAC WILL NOT hold any test sessions during the months of July and August. Testing is expected to resume again in September.

KA9QKQ	Lon S. Voils	12060 W. Grange Ave.	Hales Corners	WI	53130	425-1940

Congratulations on the new licenses and up-grades. Welcome aboard.

John Picciolo, KA9FVC, has 2 ten-foot pieces of mast for sale. His phone number is 744-3116.

Roger Zaun, W9UVV, has a want --- I am in the process of reconstructing two classic National HRO Communication Receivers: A HRO-50-1 and a HRO-60. I am looking for Plug-In Coil Sets for each Receiver. I would consider acquiring a non-operating "Junker" HRO of either type for Coil Sets and other parts.

I am also looking for a National Model NC-400 Receiver, which must be in good condition. Thanks - Roger Zaun, W9UVV, 4902 W. Parkview Dr. Mequon, WI 53092 (414) 242-4931.

Plans are being made to operate a Special Event Station on the Circus Parade grounds in July. See Kelly Schaefer, N9HBN, for further details

Anyone with anything to put into this fine publication can call 546-0647, send it to: Hamateur Chatter, PO Box 91, Milwaukee, WI 53201
